BIBLE REFERENCER OR PRAYER

Thank you for being the person you are:
kind and thoughtful,
sensitive and considerate,
a generous and thoughtful giver.

Dear Families,

Thank you to all those that came along to the carols by candle light last night. It really got people in the mood for Christmas and the warm drinks and minced pies helped. The children did well to read the words of the more traditional songs.

The Rabbits and Squirrels nativity is nearly upon us, they have been learning the songs or words in the afternoon sessions and I am sure we are in for a treat!

The next two weeks will be busy with units of work and Christmas events, please keep an eye on the diary dates for any changes.

SAFEGUARDING

Mrs Thompson is the DSL and Mrs Appleby and Mrs Windridge are the Deputy DSLs. If you are worried about a child or young person who could be in danger please contact: • Children's Social Care on 0300 123 2224. Please take note of the helplines we always put at the end of our newsletter which will now be once a term. They are there to help and support those in need. We have an open door policy so please do come in if you want someone to talk to over a cup of tea.

The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops **below 95%, this is classed as poor/unsatisfactory attendance**, which reduces their chances of success. We have seen an increase in term time holidays, please only take holidays in the allocated holidays provided, thank you.

Communication

In order to deal with any queries or concerns you need to:-

- Call the school office and request a phone call or meeting
- Ask for contact at the gate, face to face with the class teacher at the end of the day, the teacher will then get back to the parent with a phone call.
- Parent can also email the office and this is sent onto the teachers personal email.

Please be aware that we follow strict guidance from Public Health and have a 48 hours rule for sickness and diarrhoea.

Public Health: Diarrhoea and vomiting 48 hours from last episode of diarrhoea or vomiting: Should be excluded for 48 hours from the last episode of diarrhoea not the first. Further exclusion may be required for children.

Please ensure that you phone school every day to keep us updated.

Term Time Holidays

Any holiday requests in term time need to be sent in writing to The Headteacher via our holiday request form that is available on our website or can be requested through the school office.

We have to follow strict guidelines in partnership with other Frome schools and we can not authorise holidays in term time.

Our Achievements!

On a Friday we dedicate the assembly to celebrating the successes and wow moments of the week. The children come home with a certificate for their efforts in particular areas. All the adults also have the opportunity to mention a child from any class who has made a difference to their week or who they have spotted doing something wonderful. These children receive a sticker on the day. We link our rewards to the skills they have demonstrated throughout the week and we value each child equally.

Parents - Xmas devices

As Xmas is approaching many children and young people will be asking for new devices. It's important that parents think carefully about these devices and the parental features that are available. It's equally important parents think about what the device will be used for, e.g. an all-singing-all-dancing smartphone when it will only be used for messaging and the odd phone call, would a dumb phone be better?

Internet Matters has put together a couple of really good guides for parents: How to choose the right phone for your child

SENCO Sharing: We are creating an area on the website where you will be able to access the 'SENCo sharing' information for future reference. I will let you know as soon as this is up and running.

We are extremely fortunate to have our own ELSA (Emotional Literacy Support Assistant) in the school- Mrs Hiron.

An ELSA in a school is an **Emotional Literacy Support Assistant**. There is a recognised training course aimed specifically at Teaching Assistants or other specialist school roles. ELSAs are specialists with a wealth of experience of working with children and young people. ELSAs are trained and regularly supervised by Educational Psychologists.

ELSAs are warm, kind and caring people who want to make children and young people feel happy in school. and to reach their potential socially, emotionally and academically. They understand the barriers to learning that some children and young people might have and can help them with this.

They can support the children and young person's emotional development and help them cope with life's challenges. ELSAs will also help children and young people to find solutions to problems they might have.

An ELSA is not there to fix problems but to help them find their own solutions and offer that important support to a child or young person.

Relationships are key in helping children and young people to feel safe and nurtured. ELSA is about creating a reflective space for the child or young person.

What areas does an ELSA help with?

- Loss and bereavement
- Emotional Literacy
- Self Esteem
- Social Skills
- Friendship Issues
- Relationships
- Managing strong feelings
- Anxiety and worries
- Bullying
- Conflict
- Emotional Regulation
- Growth Mindset
- Social and therapeutic stories
- Problem solving

How are children or young people referred for ELSA?

- Class teacher referral
- SENCo referral
- Parent referral
- Child referral
- Outside agency referral

How long should an ELSA Intervention last?

ELSA intervention should be a short-term focus intervention with clear aims. Usually, half a term to a full term in length.
